**Instructions to Reviewers:**

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a security order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a security order has been rescinded.

**Time for Completion of Review:**

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a security order.

The USPTO will delay the publication of an application until a security order is made available to the public. If a security order is not made available within 6 months from the filing date or 90 days from the date of referral to the agency, the application will be deemed to be published 6 months from the filing date or 90 days from the date of "Date of Referral" whichever is later, unless a response is provided to the USPTO regarding the security order recommendation as to the imposition of a security order.
